

ROBINS EAT COUNT WITH INDIANS

CAPTURE SECOND OF SERIES FOR WORLD'S CROWN

EBBETTS FIELD, BROOKLYN, Oct. 6.—Brooklyn evened the count in the series for the world's championship by taking the second game today from the Cleveland Indians, champions of the American league.

"A wind-blown fly was the cause of our own downfall yesterday," said Manager Wilbert Robinson, of the Brooklyn team. "With an even break on my side, I will show the way to victory." Speaker turned out ball game with his bat in center field. I think I'll tell our fellows to hit the ball over the fence and then let Speaker do his worst. I am inclined to use Grimes in the box today."

This Speaker believes the edge now lies with his American league pennant winners in the series.

The call of yesterday's defeat and a cold night did not freeze the enthusiasm of the fans who came early to the ball yard. Spectators seeking seats in the unreserved stands began to form in line two hours before sun-up and alighted and shook in the Arctic blast that came out of the North.

The wind had dried out the playing field so that the ground keepers had to spray it with water to keep down the dust. These fans came early to the game bundled themselves up in heavy coats to keep out the cold while the players were jacketed in heavy sweaters except a few who defied the wind.

BOYHOOD PHOTO OF BASEBALL KING

Do you recognize the youngster whose photograph is inserted in this picture of youthful baseball players? His picture has been run several times in practically every large newspaper in the country during the past year. Not this picture, however. When sporting editors run his picture now they usually put a "Home Run King" head over it.

Yes, you've guessed it. This youngster is George Herman Ruth, better known as "Babe" Ruth, baseball's brightest star and winner of 54 home runs during the 1920 season. This photo of Ruth is about 12 years old.

When this photo was taken, "Babe" was known by the unflattering title of "Nigger Lips" to the other youngsters on the baseball squad. He was a member of one of the teams of St. Mary's Industrial School for Boys, at Baltimore, Md. "Babe" was about 14 when he and his boy schoolmates posed for this photograph.

This interesting picture of the home run king, and the comrades of his youth, is the property of E. F. Loge, manager of the house furniture department of B. Lowenstein & Sons, a teacher at St. Mary's Industrial School for Boys, at Baltimore, Md.

Loge recalls many interesting anecdotes about Ruth's childhood. Babe caused more trouble around the school than he causes opposing pitchers on the baseball diamond now, according to Loge.

"Babe was always in mischief of some sort," Loge said. Wednesday. "He was a champion then—in getting those who were not his friends to get into trouble. He was particularly fond of getting into trouble with his friends."

WOMEN PREPARE TO BOOST COX CAUSE AT NEXT ELECTION

Shelby Women Plan Big Mass Meeting Next Monday. Form Groundwork of Democratic Organization Here.

Women of Memphis and Shelby county, who are interested in the cause of James M. Cox for president of the United States, will hold a big mass meeting next Monday afternoon at 8:30 in the county courthouse at the courthouse. They will be urged to release them Monday afternoon, so that they may boost the Democratic cause by endorsing the big mass meeting Monday.

Preparation for the big mass meeting, November 2, was the main purpose of the meeting. The meeting was held in the courthouse, which proved too small owing to the number of women who attended.

Wednesday's meeting was for the purpose of electing a chairman and other officers, and to start the ball rolling toward a glorious Democratic victory at the next election. Mrs. J. M. Near Death

HAROLD MOORE.

Lying unconscious at Garity-Hamman hospital, Harold Moore, five-year-old child of a prominent Memphis family, was brought to the hospital Tuesday afternoon by a car driven by Edgar A. Lehr, lumberman, 1229 Snowden avenue. He is at liberty on bond charged with reckless driving.

The lad was taken to the hospital in the lumberman's car shortly after the accident which occurred at Jackson avenue and Decatur streets. Attendants say he never regained consciousness. Injuries were sustained about the head and body. Dr. Edward D. Mitchell declares a fracture of the skull was very evident at the time of the accident.

The child is the son of Alvin N. Moore, 739 Ayres street, an employe of the Memphis Broad company. With his father Harold was walking along Jackson avenue and at the intersection of Decatur street, when the accident occurred.

Lehr, who is secretary of the Green River Lumber company, is in fact a city court. Hearing probably will be continued pending change in the child's condition.

Tuesday's accident occurred within a few blocks of Lane avenue and Decatur where three weeks ago Louise Miller, the same age as Harold Moore, was killed and fatally injured by a service car.

Lehr, who is secretary of the Green River Lumber company, is in fact a city court. Hearing probably will be continued pending change in the child's condition.
